Alert Number: GI20_20

22 June 2020

Subject: ASP Authorisation Ancillary Network Services (ANS) – Price Increase 1 July 2020

Dear ASPs,

As per the information in “[GI19_20 ANS Price Increase 1 July 2020](#)” (issued 29 May 2020), Ausgrid’s Ancillary Network Service (ANS) fees will be increasing by approximately 2.6 percent in accordance with the Australian Energy Regulator’s (AER’s) final determination for 2019 – 2024.

Ausgrid’s implementation of the ASP Authorisation Management System (Pegasus) in 2019 brought in revised and simplified ASP Authorisation ANS fees. The revised fees were communicated in “[GI30_19 ASP1 Authorisation Process – Pegasus](#)” and “[GI33_19 ASP2 Authorisation Process – Pegasus](#)”.

What is changing?

The revised ASP Authorisation ANS fees will increase by approximately 2.6 percent and are detailed in table 1 below. The relevant Ausgrid ASP Authorisation sales order documents will be updated and are available on Ausgrid’s website on the Authorisations page (Link below).

Table 1		
ASP Authorisation Ancillary Network Services	Fixed or quoted	Total (Exc GST)
Individual (worker) ANS fees		
ASP - Individual Authorisation – Initial	Fixed	\$114.02
ASP - Individual Authorisation - Maintain	Fixed	\$48.67
Company ANS Fees		
ASP1 - Company Authorisation - Initial	Fixed	\$530.87
ASP2 - Company Authorisation - Initial	Fixed	\$309.34
ASP - Company Authorisation - Maintain	Fixed	\$110.78

Note: To further simplify the ASP Authorisation ANS fees both ASP1 and ASP2 company maintain authorisation fees have been combined to the one ‘ASP - Company Authorisation – Maintain’ fee.

When is it changing?

The new fees will apply for ASP Authorisation Ancillary Network Services delivered from **1 July 2020**.

Updated ASP Authorisation sales order documents are included at the end of this notice and must be used from 1 July 2020.

What do you need to do?

1. Review the 2020-21 prices for ASP Authorisation Ancillary Network Services;
2. Consider pricing changes when preparing quotations for customers regarding future work; and
3. Communicate this information to relevant members of your organisation.

Questions?

Please refer to the AER and Ausgrid websites for additional information about the pricing approval process.
