

ASP General Information

Alert Number: GI09_21

24 May 2021

Subject: Update to Ausgrid's Accredited 3rd Party RTO Training Provider List

Dear ASP/2,

As an Authorised ASP/2 working on Ausgrid's network, you are required to complete annual Electrical Safety Rules (ESR) Refresher training as part of your mandatory competencies for ongoing authorisation.

Update

As of 20 May 2021, IAC Safety Services P/L has received accreditation and is recognised by Ausgrid as an accredited provider of Ausgrid aligned ESR Refresher training to ASP/2s.

This notice rescinds prior Alert: GI27_20

ESR training requirements

ASP/2s are required to refresh your ESR training with either Ausgrid, or one of the listed Registered Training Organisations (RTO) that hold accreditation with Ausgrid to deliver ASP/2 ESR Refresher training.

The list of 3rd Party RTOs that are accredited to provide Ausgrid recognised ESR refresher training can be found on our website:
