

ASP Safety Alert Electrical Safety

Alert Number: SA12_22

1 November 2022

Subject: Ausgrid's Electrical Safety Rules 2022/1 release

Ausgrid's Electrical Safety Rules (ESR) 2022/1 edition has been released and features some substantial changes. This edition of the ESRs will come into effect on the **Thursday 1 December 2022**.

A summary of the changes is detailed in the **ESR Amendments Advice 2022/1** which can be found along with the **ESRs** and a narrated **ESR Key Changes Video 2022/1** on the Ausgrid website, www.ausgrid.com.au/esr.

ASP company requirements

Ausgrid requires every ASP company to:

1. Update your company's **systems of work** and **safety systems** to align with the Ausgrid's safety management system and the ESR 2022/1 edition
2. **Provide** your workers, including any sub-contractors with copies of the relevant safety management systems, including the ESR 2022/1 edition
3. **Retrain** authorised workers in your company's amended safety management system for undertaking work on or near the Ausgrid network in accordance with the ESR 2022/1 edition

If you have questions regarding the ESR 2022/1, please email electricalsafetyrules@ausgrid.com.au.
