Subject: Ausgrid's Electrical Safety Rules 2021/0 release – Minor update

Dear ASPs,

Ausgrid's Electricity Safety Rules (ESR) 2021/0 edition has come into effect on **Monday, 22 November 2021**.

A minor error was picked up in the 2021/0 release of the Electrical Safety Rules. This has been updated in a 2021/1 revision and Appendix A, as well as an additional Amendment Advice covering the changes.

A list of these changes are detailed in the **ESR Amendments Advice** which can be found along with the **ESRs** and **Appendix A – Working on or near exposed low voltage mains and apparatus - Task list** on the Ausgrid website under Technical Documentation on the [ESR – Electrical Safety Rules](#) page.

If you have questions regarding the ESR 2021/1, please email electricalsafetyrules@ausgrid.com.au.
