

Ausgrid Sign-In

FAQs for ASPs, Contractors and Industry Partners

Learn more about how Ausgrid Sign-In, how it works, the benefits, and how to access participating services

One sign-in

Access participating Ausgrid services with one account

Enhanced security

Protect your account with MFA

Self-service

Update details and reset passwords yourself

1. What is Ausgrid Sign-In?

Ausgrid Sign-In is a secure identity service that provides a single sign-in experience across participating Ausgrid digital applications and services. It is designed to make it easier and more secure to access Ausgrid's online services using one account.

2. Why is Ausgrid introducing Ausgrid Sign-In?

Ausgrid Sign-In provides:

- A single sign-in across participating services
- Improved security through multi-factor authentication (MFA)
- A consistent experience across Ausgrid applications
- Self-service account management, including password resets and profile updates

3. Who should use Ausgrid Sign-In?

Ausgrid Sign-In is available to external users who access Ausgrid services, including:

- Accredited Service Providers (ASPs)
- Electrical contractors
- Solar retailers
- Property developers
- Property owners
- Government agencies and councils
- Agents, brokers and legal representatives

Need help?

Ausgrid Sign-In

FAQs for ASPs, Contractors and Industry Partners

4. What services can I access using Ausgrid Sign-In?

Ausgrid Sign-In is being progressively introduced across Ausgrid digital services. Services currently available or planned include:

- Neara Digital Twin ASP3 Portal
- Ausgrid Connect (coming later in 2026)

Additional services may be added over time.

5. What do I need to do?

If you receive an activation email from Ausgrid, follow the instructions to:

- Activate your Ausgrid Sign-In account
- Set up a password
- Configure multi-factor authentication (MFA)

Otherwise, you can select **Sign up** from the Ausgrid Sign-In page and follow the registration instructions.

Once activated, your account will be ready to use with participating Ausgrid services.

6. Does activating Ausgrid Sign-In automatically give me access to Ausgrid applications?

No. Activating your Ausgrid Sign-In account does not automatically provide access to Ausgrid applications or services. Application access continues to be managed separately.

7. Where can I get help?

Check out the self-serve resources on the [Ausgrid Sign-In](#) about page. You can also contact Customer Network Solutions on (02) 4399 8101 (Option 1), Mondays to Friday, 8am – 4pm.
