Ausgrid Information Register

Ausgrid maintains this register in accordance with clause 4.3.4 (a) of the Australian Energy Regulator's (AER) *Ring-fencing Guideline Electricity Distribution Version 4* (**Guideline**).

Ring-fenced Information means **electricity information**, acquired or generated by Ausgrid in connection with its provision of **direct control services**, that is not already publicly available, and includes **electricity information**:

(a) that Ausgrid derives from that information; or,
(b) provided to Ausgrid by or in relation to a customer or prospective customer of direct control services.

Electricity Information means information about electricity networks, electricity customers or electricity services, other than:

(a) aggregated financial information; or,
(b) other service performance information;

that does not relate to an identifiable customer or class of customer.

Direct Control Services is defined within the National Electricity Rules as "A distribution service that is a direct control network service within the meaning of section 2B of the national Electricity Law"

Name of Entity that requested the Ring-fenced Information	**Description of the kind of Information requested** (in sufficient detail to enable other legal entities to make an informed decision about whether to request that kind of information from Ausgrid)

THIS REGISTER IS INTENTIONALLY BLANK

Date of this Register: 15 July 2026
