Alert Number: GI12_21

10 June 2021

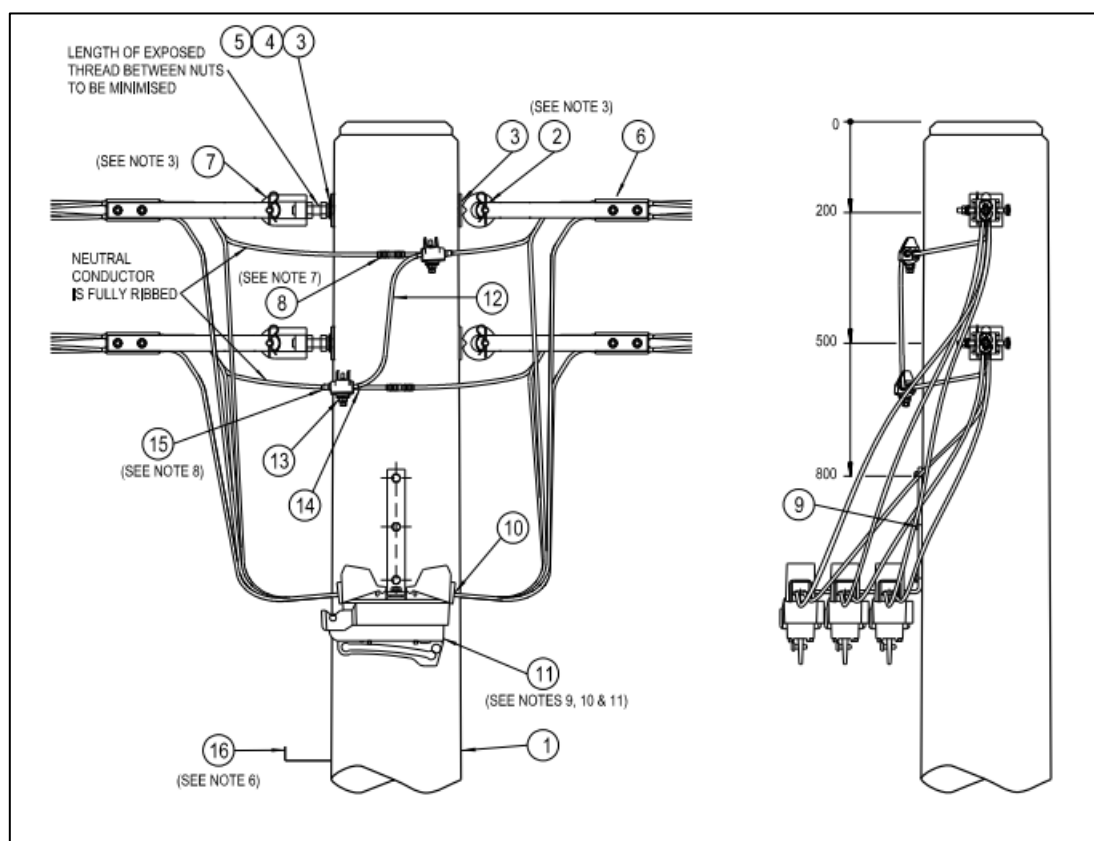

Subject: ABC Disconnector Fuse_Links - Single Link Unit types now available

Dear ASP1's,

Recently Ausgrid's specification for LV ABC Disconnectors (link boxes) changed.

The new link boxes are made of three separate link units and are available as a package under the stock code 185818.

This change was made in NS127 Low Voltage Cable Joints and Terminations – and NS125 Construction of Low Voltage Overhead Mains accordingly along with the new description added to the AML.

11	DISCONNECTOR - FUSE/LINK, LV ABC, KIT (SEE NOTES 9, 10 & 11)	185818	1	1
----	--	--------	---	---

11. THE LV ABC FUSE/LINK DISCONNECTOR KIT WILL COMPRISE THE FOLLOWING COMPONENTS :
 3 x GKH 400 SINGLE POLE FUSE/LINK SWITCHES
 3 x 400A CONNECTING LINKS
 1 x UNIVERSAL POLE MOUNTING BRACKET
