

ASP General Information

Contract Delivery

Notice Number: GI23_21

13 September 2021

Subject: COVID-19 - Construction Rules and Restrictions v2

Dear ASPs,

Ausgrid continues to provide an essential service to the construction industry in ensuring contestable works can proceed, through the connection activities we provide including appointments, outages, mandatory inspections or any other inspection and compliance activities.

Note: This GI supersedes *GI19_21 Recommencement of Construction Activities Post COVID July Lockdown*. Due to the rapidly and constantly changing conditions associated with the pandemic, Ausgrid will require constant adherence to the most recent conditions set out in the Public Health Order (PHO) and by NSW Health.

Construction Sites (Greater Sydney – Including local government areas of concern AND Regional and Rural NSW)

Activities requested of Ausgrid must adhere to all provisions as outlined by NSW Health at <https://www.nsw.gov.au/covid-19/rules/construction-rules-and-restrictions>, including;

- Rules for Construction sites
 - Local government areas of concern
 - Construction site definition
 - Summary of the rules
- Workers permitted at constructions sites
 - Greater Sydney (including local government areas of concern)
 - Regional and Rural NSW
- Requirements
 - Capacity of workers at construction sites
 - COVID-19 Safety Plan
 - Face masks
 - COVID-19 vaccinations for construction workers who live in or are staying in local government areas of concern in Greater Sydney.
 - COVID-19 testing

Note: Those who live in the Local Government Areas of the Central Coast and Shellharbour will now follow the rules for regional and rural NSW.

A construction site in the Central Coast or Shellharbour local government areas is no longer considered a construction site in Greater Sydney. These are now considered construction sites in regional and rural NSW.

For any further questions regarding your projects, please contact your nominated point of contact.

- For Level 1 ASPs, this is your Compliance Officer, and
- For Level 2 ASPs and Electrical Contractors, please email resservicesupport@ausgrid.com.au

Regards,
